					ABSTRACT	
					MICROFILM	
SUBJECT	REDWOOD/AERODYNAMIC - AECASSOWARY/29 Telephone Bill					
ACTION REQUIRED - REFERENCES						

1. AECASSOWARY/29 said that before his departure from Brussels, he visited the telephone company at 21 Rue de la Blanchisserie and was told that, according to their records, he owed nothing on his telephone and that, as a matter of fact, he would be reimbursed for payments already made since the telephone deposit was made for the entire year. Now, however, he has received a letter to the effect that he owes the telephone company \$17.00. A/29 claims all receipts were left in Brussels for accounting purposes. We are therefore forwarding the correspondence and invoice from the telephone company (under separate cover) and request that the matter be settled locally. A/29 said the telephone was registered in his wife's name as shown on the letter.

2. We regret whatever inconvenience this may create but, under the circumstances, it seems the best way to settle with the telephone company.
